

GL52 2025 SOUTHERN SHOWDOWN

NOTICE TO COMPETITORS #1

April 8, 2025

A request by Team Vesper and approved by the Technical Chair, Greg Stewart to amend their certificate due that since Vesper is not eligible for the overall and with their delayed sails for the last event they would be submitting a new rating for Southern Showdown. Mainly Vesper will be using a smaller mainsail and a new A1.5 that would affect the rating.
