

GL52 2026 PENSACOLA CUP

NOTICE TO COMPETITORS #1

MARCH 19, 2026

Wizard would like to request a crew change for the rest of the event. We have Brian Porter flying in to fill in for Richard Clark. He lands at 10:20a tomorrow. We would like him to race with us for the rest of the event. In the unlikely event he can't get to Wizard in time Shaun Mason has offered to fill in until Brian can make it. If that happens, we would like to get Brian on the boat while we are on the water before or between races asap.

Thanks for your consideration, Andy.
